HANDBOOK GUIDE

JEREMY ERRETT
ADMINISTRATOR

Thank you for being a part of our school family. We sincerely appreciate the investment you are making in your child and in our school. It is an honor to work with you and your family.

Rosedale Baptist School consists of Christian educators working with families to provide a well-rounded, Christ-centered education for their children. Our desire is to have an exceptional working relationship with you as we provide an education that is both academically excellent and distinctively Christian. While working together, we strive to REACH students for Christ; BUILD them to their greatest potential in Him; and train them to SERVE the Lord and others. (RBS – Reach. Build. Serve.)

As you read through this handbook, it is important to note that the guidelines you will find are “institutional” expectations we have for our students. They are not “relational” guidelines necessary for a relationship with the Lord. While we believe these guidelines will help operate our school, they are not linked directly to a relationship with the Lord. Our relationship with the Lord is based on the study of His Word and prayer. Out of these activities, we are given direction on how He would have us to live.

In His service,

K5-12 QUICK REFERENCE GUIDE

REVISED AUGUST 2016

Rosedale Baptist School desires to train young people to live lives that bring honor and glory to God. In so doing, we have set forth policies that help us operate as an institution and encourage a positive environment for spiritual and academic growth.

The school reserves the right to change or add to any of its policies as it deems necessary. As a result, deletions, additions, and changes in this Student Handbook and other materials covering school policies may be made at any time.

Rosedale Baptist School admits students of any race, color, national, and/or ethnic origin to all of the rights, privileges, and activities generally afforded, or made available, to students at the school. It does not discriminate on the basis of race, color, national, or ethnic origin in the administration of our educational policies, admission policies, and athletic or other school-administered programs.

OUR MISSION

Rosedale Baptist School exists to assist parents in educating their children by providing an academically excellent, Christ-centered education. We also strive to **REACH** students for Christ; **BUILD** them to their greatest potential in Him; and train them to **SERVE** the Lord and others. (RBS – Reach. Build. Serve.)

STUDENT OPPORTUNITIES

ATHLETICS

Rosedale Baptist School provides a year-round schedule of events for everyone. In the fall, boys compete in soccer, while girls participate in volleyball. During the winter athletic season, both take part in basketball. Cheerleading is also available for girls. In the spring, boys take to the baseball diamond, while the girls take their turn at soccer.

FINE ARTS

Rosedale Baptist School provides performance opportunities to all of its students through the various Parent-Teacher Fellowships and school programs. In addition, students in grades 1 – 3 participate in the Odenton Fine Arts Competition and students in grades 4 -6, grades 7 – 8, and grades 9 – 12 participate in the Maryland Association of Christian Schools (MACS) competitions on three levels.

FUNDRAISERS

Rosedale Baptist School holds two major fundraisers a year—one in the fall and one in the spring. These present a fun and exciting opportunity for students to demonstrate school spirit, help the school and enjoy a bit of friendly competition. Funds raised support a specific school need. Parental participation in fundraisers is greatly encouraged and appreciated!

YEARBOOK

Yearbooks are available each spring and chronicle the present year. The yearbook staff and advisor produce the yearbook with assistance from a professional yearbook publisher. It serves as a colorful and endearing reminder of the special times and experiences that characterize students' days at Rosedale Baptist School. Parents may support the yearbook with business ads and personal congratulatory messages. Details are sent home each year regarding this opportunity.

COMMUNITY SERVICE

All grades participate in some form of community service. All students are expected to participate in their class community service project. Failure to participate in the community project may also limit their participation in other activities such as field trips. Participation in these projects helps us to fulfill part of our mission which is to train students to serve the Lord and others. Through collecting food for a local food bank, helping to stock hospital waiting rooms with snacks, or supporting a local hospice organization, each grade reaches out to the community to show Christian love in action.

SCHOOL SPIRIT

COLORS

Navy blue, white, and gold

MOTTO

Rosedale Baptist School is proud of the distinctive history surrounding its motto, Soli Deo Gloria, a Latin phrase meaning "To God Alone Be the Glory." Soli Deo Gloria indicates what the goal of all of life should be—to give glory to God in everything and for everything. History has unfailingly demonstrated that man's accomplishments are greatest when man works to the Glory of God!

SEAL

The seal of Rosedale Baptist School features a coat of arms backed by furling American and Christian flags. The school motto rests atop the shield, and the face of the shield bears emblems representing the school's commitment to Christ and learning. The school's name and the year it was founded are handsomely and boldly proclaimed in the banner across the bottom.

VERSE

"Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God." I Corinthians 10:31

ACCREDITATION

Rosedale Baptist School is accredited by the American Association of Christian Schools (AACS), the North American Christian School Accrediting Agency (NACSAA), the National Council for Private School Accreditation (NCPSA), and the Middle States Association of Colleges and Schools (MSA). Accreditation is an on-going school improvement plan. The process includes evaluation in the areas of teacher certification, finances, records, and building and grounds safety. Because we are a Christian school, our desire is that our testimony is one of excellence for the glory of God (Colossians 3:23).

SCHOOL OFFICE

The school office is open each school day from 8:00 A.M. until 3:45 P.M. All school business is handled through the school office. If you have any payments or a financial question, please report to the financial office. When calling the school, please call the school office at (410) 687-6844. Please call the school and not the church when you have a school-related question. School telephones are for business use only.

FINANCES

TUITION AND FEES

As good stewards of what God has entrusted to the school's care and in order for RBS to operate to its fullest potential, it is critical that RBS pays its bills promptly to protect its good name and Christian testimony in the marketplace. Therefore, it is equally critical that parents make timely payments in accordance with RBS policies and procedures.

TUITION PAYMENTS

All tuition payments should be dropped off at the financial office. This is a separate office from the school office. Tuition payments are pre-determined at the time of enrollment and are due the first of the month. Monthly statements are not mailed for regular tuition payments. Statements are sent to families only when a payment is late, or other fees have been incurred.

Discussions of a financial nature are to be handled in the financial office. Classroom teachers are not aware of any financial matters pertaining to families in the school.

DELINQUENT ACCOUNTS

Tuition is due by the first of the month and is late if received after the tenth. A late fee of \$20 is automatically added to each account not paid on or before the tenth. Any account that becomes past due by 30 days will result in the immediate financial suspension of the student. Should the student be present on the suspension day, the parent will be contacted that day and asked to pick up the student. When the account is paid, the child may return to RBS. A service fee is charged any time a bank returns a check to the school for any reason. If a check is returned on two or more occasions, the bill must be paid by cash, money order or a certified bank check for the remainder of the school year.

Renweb access is denied and report cards are held for a student whose account is not current. Account balances must be current for a student to take final exams or participate in graduation exercises. Final report cards and records will not be sent until an account is paid in full. In order for students to participate in graduation, all tuition must be paid in full. The last day to pay by check in order to participate in graduation is May 10.

FINANCIAL OFFICE

The RBS financial office is available throughout the day to collect payments and answer any financial questions. The financial office is located in room 107 located on the main floor of the church building. Please do not drop off payments at the school office.

ATTENDANCE POLICY

Regular attendance and prompt arrival at scheduled classes and activities are essential for satisfactory achievement and progress in school. Parents are responsible for the regular attendance of their children.

Absences are classified as either excused or unexcused. Excused absences are acceptable for (1) illness of the student, (2) bereavements, or (3) medical appointments. Students must return to school with a note from a parent or guardian; make-up work is allowed, and credit is given. Unexcused absences occur for reasons other than those given above or when a child returns to school without a parental note.

A student who has been absent from school should present a note from a parent on the day of his return to school. The note should contain (1) date(s) of absence, (2) clearly stated reason for absence, and (3) signature of the parent or guardian. In order for an absence to receive consideration to be excused, a note must be received within one week of the student's return to school. If a parent anticipates that a child will be absent longer than two days, the parent should notify the office. Students who are absent for more than three days due to illness must present a doctor's note upon return to school.

Absences for family trips (five school days per year) are excusable, **provided they are known and approved of in writing by the administration at least one week in advance of the absence.** The student also should not be behind or currently failing any subject. Family vacations are not approved the last week of school or during exam weeks.

ATTENDANCE REQUIREMENTS

The school day begins at 8:00 a.m. and ends at 3:00 p.m. for K3-1st grade students Monday through Friday. The school day begins at 8:10 A.M. and ends at 3:10 p.m. for 2nd-12th grade students Monday through Friday. Students are asked to observe the following attendance requirements:

- In order to be counted present at school for the day, a student must remain at school for four (4) hours (until 12:10) or arrive by no later than 11:10 A.M. In addition, a student must be in school four (4) hours or more to be counted full-day present and two (2) hours or more to be counted half-day present.
- Elementary students may not miss more than fifteen (15) days during any semester. Students who exceed this limit will not be promoted to the next grade level or will be required to attend a day of Saturday school from 8:30 a.m. to 11:30 a.m. for every day of absence beyond the allowed fifteen (15) days. Exceptions may be made in the case of an extended illness.
- Junior and senior high students may not miss more than fifteen (15) days in a full-credit class or ten (10) days in a half-credit class during a semester. Students who exceed this limit will not be promoted to the next grade level or will be required to attend a day of Saturday school from 8:30 a.m. to 11:30 a.m. for every day of absence beyond the allowed fifteen days. Exceptions may be made in the case of an extended illness.

MAKE-UP WORK

Upon returning to school, a student who has an excused absence should ask his classroom teacher(s) for all work missed. This is the student's responsibility and should be taken care of promptly. A student will have as many calendar days as he was absent plus one additional day to make up classwork, homework, and unannounced quizzes. Work not completed within that length of time will result in a zero. A student is expected to take previously announced or scheduled quizzes or tests the day after he returns unless other arrangements are made with the teacher. All work missed for approved family trips is due upon the student's return.

Work from an unexcused absence also needs to be made up; however, the student will receive no grade for the work. Even if no assignment was given, students will receive a "0" in every class missed due to an unexcused absence.

TARDINESS

Please remember that chronic lateness not only hinders a student's academic progress, it also disrupts the progress of other students. **Any student coming to school late must check in through the school office and secure a late slip before going to class.** Every three (3) unexcused tardies converts to an unexcused absence. Three tardies are allowed each semester for traffic; after three traffic tardies, each additional traffic tardy will be considered unexcused. A charge of \$5.00 will be incurred for every unexcused tardy over three (3) in each semester.

STUDENT DISMISSALS

Parents wishing to pick up a student any time during the school day should call or send a note to the school office explaining the reason for the early dismissal. Parents must first sign the child out through the school office; further instruction will be given at that time. Please do not go to the classroom before stopping at the office. Protecting our students means knowing who is on our property at all times. Also, out of interest for student safety, a student is not allowed to wait for a ride in the foyer or another entrance to the building. A student must be under teacher supervision at all times. A student returning to school should check in with the school office before returning to class.

HEALTH SERVICES/ILLNESS

Rosedale Baptist School does not employ a nurse on campus at all times; however, we do employ the services of a nurse for consultation and record keeping.

Students who become ill during the school day are to go to the office. Certain types of pain relievers and over-the-counter ointments may be provided by school personnel with written doctor authorization.

No student with a temperature of 100 degrees or higher will be allowed to remain in school. Parents will be called to pick up their children in a timely manner.

If a student must take a prescription or over-the-counter medication at school, the medicine must be in the original container and kept in the school office. In addition, the medicine must be accompanied by a detailed order from a doctor. Students should never carry medication or medicate themselves. Please obtain a copy of our Medication Administration Guidelines for additional details about the medication administration policy.

BULLYING POLICY

A person is bullied when he is exposed to intentional negative actions on the part of one or more students, and whose ability to participate in or benefit from the school's educational programs or activities is adversely affected. Bullying often occurs repeatedly and over time. A person is harassed when he perceives or actually experiences discomfort with identity issues in regard to race, color, national origin, gender, disability, sexual orientation, religion, or other identifying characteristics, and whose ability to participate or benefit from the school's educational programs or activities is adversely affected. A person is intimidated when he is subjected to intentional action that seriously threatens and induces a sense of fear and/or inferiority, and whose ability to participate in or benefit from the school's educational programs or activities is adversely affected.

Bullying, harassment, or intimidation is strictly prohibited by federal law and will not be tolerated at Rosedale Baptist School. Students who engage in behaviors that constitute bullying, harassment, or intimidation will be disciplined according to the procedures set forth in this handbook. Students who believe that they are victims of bullying, harassment, or intimidation should report any such incidences promptly. Students may report bullying, harassment, or intimidation without fear or harmful consequences. Students, parents or guardians, close adult relatives, and/or teachers may complete a Bullying, Harassment, or Intimidation reporting form in the school office, or download one from the school website at www.rosedalebaptistschool.org. Completed forms should be submitted to the school office.

CONDUCT/PROCEDURES

LUNCH / SNACK POLICY

Rosedale Baptist School runs a hot lunch program. Students may either purchase lunch or bring lunch from home. On half-days there will not be a lunch break. There may also be days when students will have the opportunity to purchase special items as part of a fundraising activity or event. Parents will be notified when this occurs.

Elementary students should pack a snack. As a general practice, parents are asked to provide healthy snacks. Candy and soda should not be sent for snack time. We also request that parents provide all utensils and other items needed for lunches and snacks—forks, spoons, knives, napkins, etc.

SCHOOL-SPONSORED ACTIVITIES

The standards of conduct that are expected of students at school are expected of students during school-sponsored activities. This is true whether the activity is held during school hours or not.

TELEPHONE / CELL PHONE USAGE

Rosedale Baptist School requests that parents not contact their children during school hours except in an emergency. School telephones are business phones and are not to be used by students except in the case of an emergency. Calling home for school supplies, athletic equipment, etc. is not considered an emergency.

Students are able to have cell phones; however, all phones need to be turned off during the school day and kept in the students' locker. If this privilege is abused, it may be revoked. RBS is not responsible for lost cell phones. If a cell phone is confiscated from a student during the school day, the student will be allowed to retrieve the phone at the office after school. After the first offense, parents will be required to retrieve the phone at the office after school.

Three (3) demerits will also be entered for each cell phone infraction.

VIDEOTAPING

Rosedale Baptist School possesses the ability to videotape students on school property. At the discretion of the administration, video may be viewed for disciplinary purposes.

CONDUCT/PROCEDURES

VISITORS

All visitors—whether parents, guest speakers, or students—must have prior permission from the administration (at least one day in advance) and are asked to first report to the school office to sign in. All visitors must meet the following criteria:

- A parent or guardian may visit who wishes to observe the classroom or has been asked by the teacher to address the class.
- A student visitor should be a student who is sincerely interested in attending the school (during the current school year or the following). Out-of-town friends may visit the school with administrative approval. Guests should limit their visits to one day.
- Visitors should be willing to meet the appearance and conduct standards set forth in this handbook.
- Visitors are asked to be as quiet as possible in the classrooms, hallways, etc.
- Visitors should not loiter in the school office, classrooms, hallways, etc.

DISCIPLINE/GUIDANCE

As you read the guidelines below, it is important to note that the guidelines you will read are “institutional” expectations we have for our students. They are not “relational” guidelines necessary for a relationship with the Lord. While we believe these guidelines will help operate our school, they are not linked directly to a relationship with the Lord. Our relationship with the Lord is based on the study of His Word and prayer. Out of these activities, we are given direction on how He would have us to live.

GENERAL DISCIPLINE POLICY

Effective discipline requires consistency, conviction, diligence, and effort on the part of parents and school personnel. The administration of RBS places confidence in the judgment of godly, Spirit-filled teachers. Parents and students should understand that the administration supports teachers in matters of discipline. Any parent or student with a concern about a disciplinary procedure or method should talk to the teacher before contacting the principal. It is understood that the administration will, under normal circumstances, have no comment on a matter until the teacher has been contacted.

GENERAL STANDARDS OF CONDUCT:

- Rosedale Baptist School places primary emphasis upon spiritual development. We believe and teach that Christian young people should manifest their loyalty and love to the Lord Jesus Christ by living in obedience to His commands.
- An attitude of respect for adults should be observed by the student body. The terms "Miss," "Mrs.," "Mr.," or "Brother" should be given respectfully, regardless of time or place. Students should always answer with "Ma'am" when talking to ladies and "Sir" when talking to men. Disrespect will result in disciplinary action.
- Proper Christian conduct with the opposite sex will be emphasized and observed in school. RBS does not permit physical displays of affection, including hand-holding, walking arm-in-arm, and/or any other act of intentional physical contact. This rule is to be observed during the school day as well as during all school functions.
- Profanity and discussion of ungodly topics will not be tolerated. At the discretion of the administration, a one-to-three day suspension may result for violation of this rule. If repeated offenses occur, the student will be asked to withdraw from RBS.
- Fighting, stealing, destruction of school property, repeated disruptive classroom behavior, or threats on individuals will not be tolerated. Punishment for these offenses will be at the discretion of the administration.
- Overall, students should maintain an attitude of respect for their classmates, teachers, and administration.

ELEMENTARY DISCIPLINE (GRADES 1 – 5)

1. Written Assignments (Sentences, reports, spelling words, written apologies, etc.)
2. Clips moved to "Think about it" or "Teacher's choice."
3. Loss of privileges
4. Lunch detention
5. Parent Conferences
6. Out-of-school suspension
7. Probation
8. Expulsion

The classroom teacher will handle consequences for inappropriate classroom behavior with consultation from the elementary supervisor if deemed necessary. The administration of Rosedale Baptist School places much confidence in the judgement and ability of the teacher. Our parents and students should understand that the administration will trust and support the teacher in the matter of discipline. Discipline by our staff will be administered according to the offense and done in love.

MINOR CLASSROOM OFFENSES

The teacher will have the student move his/her clip down to "Think About It" for inappropriate classroom behavior. If the inappropriate behavior continues, the teacher will instruct the child to move his clip to "Teacher's Choice." Each time a clip is moved a consequence will be given by the teacher in the classroom.

If the behavior continues, the student will move his/her clip to "Parent Contact." This will also result in a two (2) day lunch detention and a note will be sent home. The student will receive a "U" in conduct for the week.

SEVERE DISCIPLINE OFFENSES

The following specific guidelines are in place for cheating, lying, forging signatures, fighting, stealing, and use of profanity for grades 1-5.

1ST-3RD GRADE:

1ST OFFENSE The student will move his clip to "Parent Contact" and the consequences that come with that will be followed. A conference with the elementary supervisor may be necessary in some cases. In the case of cheating, a zero will be entered for the assignment grade.

2ND OFFENSE The student will have a conference with the elementary supervisor, the parent will be called for a conference with the teacher and administrator, his clip will move to "Parent Contact" and the consequences that come with that will be followed. The student will also lose recess privileges for that day or the following. In the case of cheating, a zero will be entered for the assignment.

3RD OFFENSE The student will serve a one (1) day suspension the next school day and the "Parent Contact" rules will apply.

4TH-5TH GRADE:

1ST OFFENSE The student will be issued a writing assignment on the topic of the infraction. The student will move his clip to "Parent Contact" and the consequences that come with that will be followed. The student will also lose recess privileges for that day or the following. In the case of cheating, a zero will be entered for the assignment.

2ND OFFENSE The student will serve a one (1) day suspension the next school day and the "Parent Contact" rules will apply. In the case of cheating, a zero will be entered for the assignment.

3RD OFFENSE The student will serve a two (2) day suspension the next two (2) school days and the "Parent Contact" rules will apply. The administration will have a conference with the parents to discuss the further enrollment of the student.

CHEATING The following can constitute cheating on behalf of a student:

1. Having a textbook or folder with notes for that subject open during the quiz or test.
2. Communicating during a quiz or a test (verbal or nonverbal).
3. Possession of any type of curriculum material with answer keys for any course offered at Rosedale Baptist without approval from the school administration.
4. Sharing or copying answers for homework.
5. Claiming anyone else's work to be his/her own work (internet information included).

STEALING will be handled on an individual basis. The age of the child and the monetary value of the object stolen will be determining factors. A student who steals may receive a phone call home and a loss of a privilege at school, a writing assignment, and communication with the parents, or a one (1) day suspension. Multiple offenses may result in expulsion. Discipline for stealing among 4th-5th grade students will be more severe than those students in grades 1st -3rd grade.

PARENT CONTACTS OR OFFICE REFERRALS FOR DISCIPLINE

A student is referred to the office (administration) for discipline when he/she has repeatedly disrupted or disobeyed and has not responded to classroom discipline or has committed a serious offense such as fighting, lying, cheating, stealing, use of profanity, etc.

When a student has been referred to the office for discipline or has reached the "Parent Contact" level, a note will be sent home or the parent will be called. The student will receive a "U" in conduct for the week. If a student is referred to the office repeatedly, he/she may be placed on probation. Serious offences may result in suspension or expulsion.

GENERAL CONDUCT RULES

1. Students should follow directions the first time.
2. Students should keep hands, feet, body, objects, and negative comments to themselves.
3. Students should always address and respond to teachers with the utmost respect.
4. Students should not run or make noise in the hallways or common areas at any time.
5. Cigarettes, alcoholic beverages, narcotics, knives, guns, explosives of any kind, or inappropriate literature are not permitted on school property. Excessive amounts of currency are strongly discouraged. The school will not reimburse loss of any personal property.
6. Gum chewing is not allowed on the school campus or during any school events.
7. Stealing, cheating, lying, cursing, name-calling, using vulgar language, or body gestures will not be tolerated under any circumstance and will result in punishment by the administration.
8. Inappropriate conversations at school are unacceptable.
9. Inappropriate language or gestures will not be tolerated.
10. Students who have cell phones on campus must have the cell phones turned off during regular school hours. Students are not allowed to use cell phones in before and after school care.
11. Students will be expelled for an accumulation of "Parent Contacts" or for any type of inappropriate conduct, harassment, and involvement with explicit material (depending on severity), consumption or possession of alcohol, tobacco, illegal drugs, or any type of criminal offense. Students who are at a location where tobacco, alcohol, and drugs are available to minors should leave the location immediately to avoid suspension or expulsion.

Each classroom will operate under these rules and policies as established by the teacher. Many teachers have also developed a classroom management plan that may be obtained from them during Back to School night that explains the rules as well as positive and negative consequences incurred in their classroom.

LUNCH DETENTION

Lunch detention will mean that the students will sit in a supervised room and eat quietly without any talking. They will be separated from their class during this time of social activity. They can order a meal, but will not be allowed to purchase from the snack counter. A two day lunch detention comes with each "Parent Contact" given, but a one day detention can be given for inappropriate classroom behavior.

SUSPENSIONS

Suspension is used when other penalties have failed to correct unsatisfactory behavior or if an offense is extremely serious. The student may be suspended for one to three days depending upon the offense committed.

PROBATION

When discipline offenses have reached the point where other procedures have failed to bring about necessary changes in behavior, a student may be placed on probation. A student is placed on probation after a continued bad attitude, negative influence upon other students, or a continual pattern of misbehavior. One single event, if serious enough, can result in probation. A violation beyond this point will generally result in expulsion or the student being asked to withdraw.

A returning student may be placed on academic or behavioral probation for the next school semester if academic grades or past behavioral problems merit probation as deemed necessary by the administration.

All new students enter RBS on academic and behavioral probation for the first grading term. This allows the student to become accustomed to the standards of RBS and assures the willingness of the student to conform to these standards.

A parent conference will be scheduled to discuss the further enrollment of any student on probation who is not meeting the standards of Rosedale. If problems continue with the student after the parent conference, the student will be expelled.

MIDDLE AND HIGH SCHOOL DISCIPLINE (GRADES 6 – 12)

It is very important for us to have a successful working environment in the area of classroom discipline. We are not perfect. Therefore, if you feel we have made a mistake or something simply does not sound right, please let us know. This will give us an opportunity to work through the issue together. Our desire is to help you in any way that we can.

For students in grades 6-12, we use a system of demerits and detentions. After trying to resolve issues in class, students will receive demerits. If a student receives 10 demerits in a quarter, a detention will need to be served. Detention meets every Wednesday and Thursday from 3:45 p.m. to 4:30 p.m. with a \$5 detention fee. If five detentions are received in a quarter, a student will need to attend a Saturday school from 8:30 a.m. to 11:30 a.m. with a \$50 detention fee. An additional Saturday school will be required at 8 and 12 detentions in a quarter. A student who accumulates 15 detentions in a quarter or 20 detentions in a semester will be asked to withdraw for the current school year, and may be reviewed for re-admission after a minimum of one semester. Students may also be asked to withdraw if involved in inappropriate behavior as listed below in the Expulsion section.

RBS SIX MAJOR CLASSROOM RULES:

1. Respect for all persons.
2. No physical contact.
3. No communicating without permission.
4. Ready to begin class in the assigned seat at the designated time.

In this case, expulsion may occur even without the accumulation of demerits.

The student must remain out of RBS for a minimum of one full semester before seeking re-admittance. Proper restitution must be made and true repentance has to be evident to the administration. The student and parents must meet with the administration before being re-admitted. Administrative approval may override this policy in special circumstances, depending on the reason for the expulsion.

When the administration makes a decision based on discipline issues, the decision has been made within the framework of the school's stated policy and reviewed by a discipline committee that consists of school administration, key teachers, and members of other ministries of Rosedale Baptist Church. All of the details, school policy, and personal student information is included in this decision process.

A STUDENT MAY BE EXPELLED BECAUSE OF EXCESSIVE DETENTIONS OR FOR THE INFRACTIONS LISTED BELOW:

- Pornography
- Drugs
- Alcohol
- Immorality
- Bringing weapons of any kind to school
- Use of tobacco
- Threatening a teacher
- Actively participating in the vandalism or destruction of school or private property
- Involvement in criminal activity

The use of suspension or expulsion is an administrative responsibility used in the discipline of students. If a student is expelled, he will not be allowed on school grounds unless he has official business and will not be allowed to attend school functions without special permission from the administration.

As a private, Christian institution, Rosedale Baptist School reserves the privilege of setting and maintaining standards of conduct, dress, and scholarship. The school maintains the right to suspend or expel anyone who

DRESS CODE

UNIFORM POLICY

Rosedale Baptist School has adopted a uniform policy. The policy is intended to serve as a tool to promote student self-respect, lessen peer pressure, maintain an atmosphere consistent with our instructional goals, promote student unity, and help our students have a positive testimony for Christ in our community.

All students are required to wear the approved uniform. Students should arrive and leave school in uniform unless there are special circumstances. For example, Casual Dress Code may be worn to athletic events.

The cost of any uniform item is not included in the tuition and/or fees of RBS and is the responsibility of the parent. The school does not reimburse for uniforms nor purchase used uniforms. We do keep a "Swap Cart" where parents can purchase used uniform items for \$1.00. Exchanges can also be made. Please observe these general guidelines in relation to the Dress Code:

- All students should dress modestly.
- Clothing should be neat and clean in appearance. Personal hygiene should be maintained at all times.
- Neither tight nor excessively baggy clothing is allowed. The waist and midriff must be covered at all times regardless of movement. Boys' shirts must be tucked in.
- No clothing or promotional items (stickers, buttons, etc.) relating to rock music or performers are permitted. Clothing or items depicting inappropriate or controversial role models may not be worn.
- Please be sure that all of your child's clothing is clearly labeled with his/her name. This will help us as we find articles of clothing around campus.

ACADEMICS

GRADUATION REQUIREMENTS

Maryland state graduation requirements stipulate that a student must have earned twenty-one (21) credits in order to graduate. Rosedale Baptist School requires an additional four (4) credits of Bible. One credit is earned for every 50-minute class that is completed satisfactorily during the school year of 170 days.

Upon graduation from RBS, a student will exceed the state graduation requirements. A student who stays at RBS for his entire senior high course of study will earn at least twenty-five (25) credits. The total number of credits required of transfer students may require adjustment by the administration; however, a student cannot graduate with less than the minimum number of credits required by the state of Maryland.

RBS students are required to take either consumer or advanced math, economics (1/2 credit) and speech (1/2 credit). Fine Arts will include senior high choir, drama and art. Technology includes Computer Applications I (1/2 credit) and Computer Applications II (1/2 credit). Students may also choose to take additional fine arts classes and yearbook.

All seniors are required to take the SAT or ACT in order to graduate. Seniors must register and present a testing admission ticket prior to Christmas break. Failure to register before Christmas break will result in a \$75.00 fee and automatic registration of the student by the school at a local testing center.

Parents are encouraged to keep informed about their children's grades, attendance, and behavior through their ParentsWeb (RenWeb) account.

Please contact the school office for further details.

RENWEB

RenWeb is our school management system. This system is used for grade entry, discipline, attendance, financial accounts, and more. Parents have access to this information through ParentsWeb which is the parents version of RenWeb.

1. Go to www.renweb.com.
2. Click on the "Login" button in the top right corner of the screen.
3. Click the "ParentsWeb Login" link
4. Enter the following district code: RD-MD
5. Enter your username and password. The original username will be the email that you provided during the registration process. During the initial login, enter your email as the username and click "forgot username/password" and instructions regarding your password will be sent.

STANDARDIZED TESTING

All students in Kindergarten through grade 12 take the Iowa Tests of Basic Skills each spring. This test measures

knowledge in core areas. Parents are informed of their child's performance on the test but are encouraged to contact the school office with any questions as to how to interpret the results.

It is recommended that students take the American College Test (ACT) or the Scholastic Achievement Test (SAT) during the spring of their junior year and during their senior year. All seniors are required to take either the ACT or the SAT in order to graduate. RBS does not administer these tests but will gladly assist the student in registering. Information can also be found online at www.collegeboard.org or www.actstudent.org.

PROGRESS REPORTS

Progress reports are designed to inform parents of their child's academic and disciplinary progress. Progress reports are issued at the mid-point of each quarter.

REPORT CARDS

The purpose of the reporting system is to give parents and students an accurate indication of the progress being made by their child. Each student is evaluated in three (3) areas: academics, conduct, and effort. The academic grade is based upon homework, quiz, and test performance. The conduct grade reflects attitude and/or conduct. The conduct grade is an important part of the report card. Parents should be very concerned with low conduct scores. Indications of effort reflect the student's willingness to cooperate in academic and procedural areas.

Report cards are issued four times a year, reflecting the four quarters (two semesters) of student work. The first three report cards are distributed at the Parent/Teacher Fellowships. The final report card is mailed. If a report card is lost, the parent should send a note or contact the school office for a replacement.

Report cards are withheld each grading period if the student account balance is not up-to-date. End-of-year report cards will be withheld if the family account is not paid in full.

HONOR ROLL

An honor roll is compiled after each grading period. A student must earn all A's and B's to be eligible for the Honor Roll. Students who earn straight A's will be placed on the Principal's List.

PROMOTION AND RETENTION

In kindergarten through eighth grade, a student's report card contains a notation as to whether the student will be promoted to the next grade. Students receiving an F in three (3) academic subjects are automatically held back in order to give them an additional year to prepare for the next grade. Students receiving an F in both English and math are also automatically retained. Students failing any one of the four (4) core subjects are required to pass the subject in summer school in order to be promoted. These policies ultimately prevent unnecessary academic frustration and discouragement and ensure that all students are prepared for the challenges presented to them as they advance to different grade levels.

In the senior high school, students must meet the following criteria to receive the indicated classification:

- Freshman: The student must have successfully completed grade 8.
- Sophomore: The student must have earned at least six (6) credits.
- Junior: The student must have earned at least twelve (12) credits.
- Senior: The student must have earned at least nineteen (19) credits.

HOMEWORK

Homework is given for practice, for drill, for remedial activity, for enrichment activity and also for special projects. Parents of elementary students are especially encouraged to help their children approach long-range projects by breaking them down into smaller segments. This approach helps students to avoid procrastination and also encourages organizational skills.

In general, no homework assignment should take an unreasonable amount of time for any grade level. If a child spends an excessive amount of time on homework, the parent should contact the teacher for help. No homework will be assigned Wednesday to be completed by Thursday. Suggested daily homework time totals are given below.

Grade 1: 20 minutes

Grade 2: 30 minutes

Grade 3: 45 minutes

Grade 4-6: 1 hour

Grades 7 & 8: 1 ½ hours

Grades 9-12: 2 hours

ELEMENTARY AND MIDDLE SCHOOL

For student in grades 1 – 3, assignments in all subjects are to be written in an assignment book. For students in grades 4-8, daily planners are purchased through the school.

A parent's signature is required in the assignment book to assist the parents in knowing what assignments are due and assist the school in certifying that the parents have supervised the completion of the work.

HIGH SCHOOL

Student in grades 9 – 12 receive regular work assignments. They are encouraged to write their assignments in an assignment book. Occasionally, special projects (book reports, research papers, etc.) are assigned with more advance notification. Homework turned in the day following its due date will receive one-half credit (if it is not gone over in class the day it is due). If it is turned in after a day late, it will receive no credit.

PLAGIARISM

Plagiarism is defined by the American College Dictionary as "copying or imitating the language, ideas, and thoughts of another author and passing off the same as one's original work." To be more specific, it involves the

copying of someone else's writing without giving proper credit to the original author. Whenever you use someone else's words, thoughts, or organization of thoughts, you must give them credit. The proper way to give credit for information obtained from someone else's writing is with a notation. Plagiarism is cheating. Students found to plagiarize will be given a "0" for the assignment and will have to redo it. In addition, they will receive a one (1) day suspension.

BOOK POLICY

A portion of the matriculation fee helps to cover the purchase of new books as well as rental of present textbooks for students. Special fees may also be charged to those students taking elective courses (i.e. choir, drama). Students are required to handle all textbooks and library books carefully. Book covers are required on all books: regular book covers on hard-covered books and clear Contact™ paper on soft-covered books. Students issued a new book at the beginning of the school year should return the book in good condition. A charge of 50% of the book will be assessed if it is returned in fair condition, and a 100% charge will be assessed if it is returned in poor condition. If a book is issued in good condition, it must be returned in fair condition. A 50% charge will be assessed if it is returned in poor condition. Lost books are charged 100% of their cost.

COMMUNICATION

PARENTAL PARTICIPATION

Rosedale Baptist School believes that God has given the responsibility for a child's education to his/her parents. As a school, RBS serves to assist parents in this task. In order to support the education process and be an encouragement to their children, parents are asked to take an active part in the RBS program. As in any activity that a child undertakes, the interest and involvement of parents have a tremendous positive influence on the child's performance.

At least one parent is asked to attend all regularly scheduled Parent/Teacher meetings, appropriate orientations, Open Houses, and any other specially-called meetings regarding their child.

Field trips, special events, and many other activities in the classroom always benefit from parental participation and help.

PARENT-TEACHER FELLOWSHIPS

Parent-Teacher Fellowships are designed to keep the parents involved in the total program of the school. Basically, the purpose of Parent-Teacher Fellowships is to provide an atmosphere where the parents and teachers may get to know each other and to enable parents to observe the academic progress of their child. For the sake of all in attendance, if more than five minutes is needed to talk to your child's teacher, please set up a meeting outside the PTF. Parent-Teacher Fellowships are indicated on the school calendar. Please refer to the school calendar for specific dates.

PARENT-TEACHER CONFERENCES

If a parent wishes to speak with his child's teacher, a private conference with the teacher should be requested through the school office. The school secretary will be happy to alert the teacher of the conference request. Unless it is absolutely necessary, please do not hold a teacher after school, unless a meeting has been scheduled for that time. Like parents, teachers also have appointments, and/or schedules that limit their time after school. Likewise, please allow teachers to attend church without being confronted with school matters. Parent recognition and consideration of the teacher's schedule is greatly appreciated.

CONFLICT RESOLUTION

When problems and disagreements arise during the school year, for the best interest of RBS and all concerned, it is important that they be dealt with in a Christian manner. We believe and practice a chain of command and the principles of Matthew 18 when handling problems. (1) Contact the teacher first to discuss the issue. (2) If, after discussing the situation with the teacher, you are not able to get the problem solved, you may call the school and request a conference with the administration.

Please do not discuss any problem with other parents. Please follow the above-described chain of command. You can be certain that our faculty will go out of its way to help your family and resolve issues in the best interest of the school, the student, and the families of Rosedale Baptist School.
