## Virtual Learning Guidelines: Grades 6-12

### Weekly Schedule:

- The Educational Consultant (EC) will call and send students an introductory email with a suggested daily schedule.
- Check RenWeb for all lesson plans. The numbers on the lesson plan will correspond with the lesson numbers on the A Beka videos.
- All assignments will be submitted virtually on Google Classroom. **There are NO PACKETS.**
- The EC will check in with parents and students on a daily basis (through Google Meet, phone call, comments in Google Classroom, etc.)
- Stay tuned for fun ways our virtual students and in-person students will stay connected!

### Assignments:

- Homework will be assigned and graded through Google Classroom. This will allow students to see daily feedback about their work. Assignments will **ONLY** be accepted through Google Classroom.
- Homework is due by the end of the following school day (3:30 PM).
- Late homework will follow the same policy as in-person students:
  - One day late: 50-point deduction
  - Second day later or longer: Zero credit will be given
- Quizzes will be made available virtually through Google Classroom on the day of the assessment. This allows your child to stay in sync with the in-person students. **Quizzes are NOT open-book unless stated by the classroom teacher. Please help us in encouraging honesty in this area.**
- **Tests: To maintain a higher standard of integrity, all tests will be given virtually and proctored through Google Meet with an EC on the SAME DAY the in-person students are taking their tests.**
- Tests and Quizzes will not be accepted late.

### Additional Information:

- All homework/assignments will follow the plans on RenWeb. **If the video teacher assigns different work, follow RenWeb.**
